

Small Loans

Your small loans are a very big deal to the dedicated experts at Fannie Mae.

Only Fannie Mae has the experience, geographic reach, and flexibility to meet the needs of lenders and borrowers seeking multifamily small loans. Rely on our team of small loans professionals and suite of flexible products to help you thrive in this very big market with streamlined underwriting, quick closing, and an easy execution that's predictable and reliable across all market cycles.

Our Small Loans program offers fixed- and variable-rate financing for smaller rental properties – loans of \$3 million or less in most markets and \$5 million or less in eligible markets. Fannie Mae has an almost 20-year track record of success financing small loans and has provided more than \$14 billion of liquidity to this market since 2009.

Fannie Mae Multifamily works with its lenders to provide borrowers with the financing solutions they need.

Experience and expertise you can rely on

Ann Atkinson, Multifamily Customer and Partner Management - Senior Director

Fannie Mae has been financing small loans for almost 20 years. We have the experience, scale, and expertise to deliver on these unique deals – and the commitment to keep delivering, year after year and deal after deal. Three factors differentiate us from our competitors: our Delegated Underwriting and Servicing (DUS®) model, which encourages flexibility and certainty of execution; our broad range of products, tailored to meet the needs of small loans borrowers; and our long history as Multifamily Small Loans market leaders.
